...Still Making History!

MAY 11, 2015

SPRING 2015

Dear Friends:

It gives me great pleasure to offer this newsletter as a way for you to keep abreast of news and events in Mercer County government.

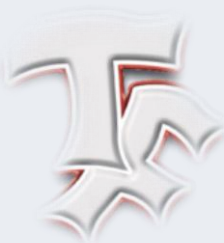

As a center for business, education and research, arts and entertainment, technology and entrepreneurship, Mercer County has much to offer. Whether you visit one of our historic sites, enjoy one of our parks, take in a play or musical performance, shop in one of our many retail centers, or study at one of our institutions of higher learning, you will agree that Mercer County has it all.

2015 promises to be a great year as we welcome new residents, businesses and visitors to our great county. I will continue to improve the quality of life for all Mercer County residents, always looking for new ways to make Mercer County a better place to work, live, play and raise a family.

Thank you.

Sincerely,

Brian M. Hughes, Mercer County Executive
